AWARD GUIDELINES & REQUIREMENTS

A for-profit business that receives a grant is required to treat the grant as income and is responsible for paying federal, state and local taxes.

This grant program is not an entitlement program. Awards will be merit-based.

This grant program cannot fund labor costs or other routine expenditures that are a part of the businesses' normal operating budget. This grant program also cannot fund acquisition of buildings or land. All funds must directly support the project as scoped and defined in the application submitted by the Applicant.

Although eligible to apply, Applicants should not assume that they will be awarded a grant on an annual basis. Applicants that can communicate a compelling need that directly enhances CVVB's tourism mission with quantifiable results will be given higher consideration. Grants may be awarded for multiple years, if requirements are met. Past grant stewardship and compliance with grant requirements will be considered while reviewing new applications from applicants who have received tourism grants in the past, which may impact future grant awards.

Additional criteria may be required for your grant application. The award letter and agreement will clearly outline all criteria and timeframes for meeting stipulations.

Once approved, a Grant Agreement will be mailed to the successful Applicant ("Grantee") for execution. Upon execution of the Grant Agreement, programs must be executed and award amount must be used within 24 months of the award announcement date. If the funds are not expended within the 24-month period, the Grantee must inform the Destination Sales Manager in writing that the project has been canceled or to request an extension. CVVB reserves the right to reject a request for extension and cancel the grant.

As a provision of accepting these funds, Grantee must provide adequate proof (receipts, invoices, canceled checks, credit card statements, wire transfers, etc.) that the funds received were used for their intended purpose. CVVB reserves the right to audit the Grantees records and use of funds.

A Final Project Report is required within 60 calendar days of the completion of the project. A template will be provided to the Grantee.

Grant funds will be awarded on a reimbursement basis. At a minimum 20% of grant funds will not be released until the final report is received and approved by CVVB. Depending on the project, the amount of grant funds to be held can be higher than 20%. The amount will be defined in the Grant Agreement.

Grantees that do not meet the post-award requirements will be deemed ineligible to apply for future cycle grant rounds or other programs.

Pennsylvania Prevailing Wage Act – In the event the Pennsylvania Prevailing Wage Act applies to this project, the Grantee, its sub grantees, contractors and subcontractors shall comply with the provisions, duties, obligations, remedies, and penalties of the Pennsylvania Prevailing Wage Act, 43 P.S. § 165-1 et seq. The general prevailing minimum wage rates, as determined by the Secretary of Labor and Industry, shall be paid for each craft or classification of all workmen needed to perform work on the Project during the term hereof for the locality in which the work is to be performed.

Additional required recognition will be outlined in the award letter and agreement. CVVB reserves the right to promote this grant program and the Grantees as deemed appropriate or beneficial to the CVVB. Any media obtained through this grant program must be shared with CAEDC for promotional use.
