

REQUEST FOR PROPOSALS

CONSTRUCTION MANAGEMENT/PROJECT MANAGEMENT SERVICES

SECTION I: BACKGROUND

The Real Estate Collaborative (REC), a subsidiary of the Cumberland Area Economic Development Corporation (CAEDC), is seeking proposals for construction management/project management services for site preparation work to be conducted at the former Frog, Switch and Manufacturing Company site located at 600 E High St, Carlisle, PA 17013 (the “Project”). The project entity, REC FS LLC, has secured state funding from the Department of Community and Economic Development’s PA Strategic Investments to Enhance Sites (SITES) Program for the site preparation work, and desires to position the vacant site for redevelopment, restoring the blighted property to productive economic use. The use of PA SITES funding in REC FS LLC’s Frog Switch Redevelopment project obligates all contractors to abide by the applicable funding requirements outlined in the attached grant agreement (Exhibit A) and loan commitment letter (Exhibit B), which shall include, but are not limited to, the Nondiscrimination/Sexual Harassment Clause (Exhibit C), the Americans with Disabilities Act, and the Contractor Integrity Provisions. Bidders and offerors are encouraged to utilize and give consideration to contractors offering to utilize Small Diverse Businesses. By responding to this RFP, the bidder acknowledges the associated compliance requirements and commitment to adhere to the same.

SECTION II: PA SITES ACTIVITIES

The REC was awarded PA SITES program funding for a multi-phased project scope including site remediation, demolition of structures, site boundary surveying, and site clearing and grading. Also, included in this scope of services will be the creation of a Master Developer RFP for the site.

The anticipated timeline for implementation of the three project phases is as follows:

ANTICIPATED PROJECT SCHEDULE		
Activity	Estimated Start	Estimated Completion
Environmental Assessment and Remediation	August 2025	December 2025
Phase 1 - Master Developer RFP	October 2025	February 2026
Phase 2 - Demolition and Site Clearing	January 2026	December 2026

The above Project Schedule is a general estimation for each Phase of the Project. The CM/PM will be responsible for preparing and monitoring the actual schedule for each Phase of the Project. A proposed Project Schedule, based on professional experience with similar projects, should be provided as part of the response to this RFP.

SECTION III: CM/PM SCOPE OF SERVICES

The REC FS LLC is seeking the services of a Construction Manager/Project Manager (CM/PM) to assist in the effective implementation of the PA Sites-funded activities.

For this RFP, the term “CM/PM” is defined as a fee-based professional services provider in which the CM/PM reports exclusively to the owner (REC FS LLC) and acts in the owner’s interests at every stage of the project. The CM/PM is expected to offer advice, uncolored by any conflicting interests, on matters such as:

1. Optimum use of available funds,
2. Control of the scope of the work,
3. Project scheduling,
4. Avoidance of delays, changes, and disputes,
5. Development of RFP for services as required

The selected CM/PM will be expected to coordinate monthly meetings and work closely with the REC’s funding consultant and CAEDC to ensure compliance with procurement requirements, confirmation of funding-eligible activities and approvals of invoicing for professional and construction services in connection with the PA SITES grant.

Phase-specific responsibilities will generally include, but will not be limited to:

- a. Coordination of onsite activities in collaboration with Frog Switch Facility Management Staff.
- b. Preparation of site clearing and demolition bid specs including review of Hazardous Building Materials Survey report and identification of required permits; review of responses; and recommendations for selection of site clearing and demolition contractor.

- (ii) any other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this contract.

(C) Trade Secret or Confidential Proprietary Information. If the Grantee considers the Requested Information to include a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Grantee shall notify the Commonwealth and provide, within seven calendar days of receipt of the written notice a written statement, signed by a representative of the Grantee, that explains why the requested material is exempt from public disclosure under the RTKL. If the Commonwealth determines that the Requested Information is clearly not exempt from disclosure, the Grantee shall provide the Requested Information to the Commonwealth within five business days of receipt of written notice of the Commonwealth's determination.

(D) Reimbursement.

- (i) Commonwealth Reimbursement. If the Grantee fails to provide the Requested Information and the Commonwealth is ordered to produce the Requested Information, the Grantee shall reimburse the Commonwealth for any

damages, penalties, or costs that the Commonwealth may incur as a result of the Grantee's failure, including any statutory damages assessed against the Commonwealth.

- (ii) Contractor Reimbursement. The Commonwealth will reimburse the Grantee for any costs that the Grantee incurs as a direct result of complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL.
 - (E) Challenges of Commonwealth Release. The Grantee may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Grantee shall reimburse the Commonwealth for any legal expenses incurred by the Commonwealth as a result of the challenge, including any damages, penalties or costs that the Commonwealth may incur as a result of the Grantee's legal challenge, regardless of the outcome.
 - (F) Waiver. As between the parties, the Grantee waives all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
 - (G) Survival. The Grantee's obligations contained in this Section survive the termination or expiration of this contract.
- (9) Offset.
- The Commonwealth may set off the amount of any state tax liability or other obligation of the Grantee, or its subsidiaries, owed to the Commonwealth against any payments due the Grantee under any contract between the Commonwealth and Grantee.
- (10) Automated Clearing House (ACH) Payments.
- (A) Payment Method. The Commonwealth shall make payments to the Grantee through the Automated Clearing House (ACH). Within 10 days of the grant award, the Grantee must submit or must have submitted its ACH information within its user profile in the Commonwealth's Master Database. The Grantee may enroll to receive remittance information via electronic addenda and email (e-Remittance). ACH and e-Remittance information is available at the following:

<https://www.budget.pa.gov/Services/ForVendors/Pages/Direct-Deposit-and-e-Remittance.aspx>.

- (B) Unique Identifier. The Grantee must submit a unique invoice number with each invoice submitted. The Commonwealth shall list the Grantee's unique invoice number on its ACH remittance advice to enable the Grantee to properly apply the state agency's payment to the respective invoice or program.
- (C) ACH Information in the Commonwealth's Master Database. The Grantee shall ensure that the ACH information contained in Commonwealth's Master Database is accurate and complete. The Grantee's failure to maintain accurate and complete information may result in delays in payments.

The Grantee shall comply with all applicable Pennsylvania state labor laws and worker safety laws including, but not limited to, the following:

- (A) Construction Workplace Misclassification Act;
- (B) Employment of Minors Child Labor Act;

(c) Reimbursement for Travel and Per Diem:

Reimbursement to the Grantee for any travel, lodging or meals under this Contract is at or below state rates, unless the Grantee has higher rates which have been approved by its officers/officials, and published prior to entering into contract negotiations with the Commonwealth. Documentation in support of travel and per diem is the same as required of state employees. Higher rates must be supported by a copy of the minutes or other official documents, and submitted to the Grantor.

(d) Compliance with Anti-Pollution Regulations:

The Grantee and its subcontractors agree that in the performance of their obligations under this Contract they shall minimize pollution and shall strictly comply with all applicable environmental laws and regulations.

(e) Compliance with the Prohibition of Illegal Alien Labor on Assisted Projects Act.

Pursuant to the Act of May 11, 2006 (P.L. 173, No. 43), known as the Prohibition of Illegal Alien Labor on Assisted Projects Act, the Grantee shall not knowingly employ, or knowingly permit any of its subcontractors to knowingly employ, the labor services of an illegal alien on activities funded in whole or in part by a grant or loan issued by an executive agency of the Commonwealth of Pennsylvania.

If the Grantee:

- (A) knowingly employs, or knowingly permits any of its subcontractors to knowingly employ, the labor services of an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania; and
- (B) the Grantee or any of its subcontractors are sentenced under Federal law for an offense involving knowing use of labor by an illegal alien on activities funded in whole or in part by grants or loans issued by an executive agency of the Commonwealth of Pennsylvania.

the Grantee shall:

- (A) repay to the Grantor all grant funds received by the Grantee from the Grantor pursuant to this Contract, and
- (B) be ineligible to apply for any Commonwealth grant or loan for a period of two years.

ARTICLE VI ASSIGNMENT, TRANSFER, COLLATERAL USE

This Contract is binding upon and inures to the benefit of the Grantor, the Grantee, and their respective successors and assigns, except that the Grantee shall not assign or transfer its rights under this agreement without the prior written consent of the Grantor. Approval of an assignment does not establish any legal relationship between the Commonwealth or the Grantor and any other third party, and under no circumstances will the Commonwealth be held liable for any act or omission committed pursuant to an assignment.

ARTICLE VII INDEPENDENT CONTRACTOR

Notwithstanding anything contained in this agreement to the contrary, the rights and duties granted to and assumed by the Grantee are those of an independent contractor only. Nothing contained in this agreement is construed as to create an employment, agency or partnership relationship between the Grantor and the Grantee.

ARTICLE VIII INTEREST OF PARTIES AND OTHERS

No officer, member, employee, independent contractor or elected official of the Commonwealth and no member of its governing body who exercises any functions or responsibilities in the review or approval of activities being performed under this Contract shall participate in any decision relating to this Contract which affects his/her personal interest or the interest of any corporation, partnership or association in which he/she is directly or indirectly interested. Nor shall any officer, member, elected official or employee of the Commonwealth or any member of its governing body have any interest direct or indirect in this Contract or the Contract proceeds.

The Grantee covenants that the Grantee (including directors, officers, members and employees of the Grantee) presently has no interest and shall not acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of activities required to be performed under this Contract. The Grantee further covenants that no person having any such interest shall be employed in the performance of activities for this Contract.

The Grantee represents and warrants that no elected state official, any employee of the Grantor, immediate family member (parent, spouse, domestic partner, child, brother or sister, daughter-in-law or son-in-law, or grandchild) of elected state officials or Grantor's employees, or any entity in which any above listed person shall have an ownership interest of 5% or greater, or in which entity any above listed person will have a controlling interest, has received or will receive a direct or indirect pecuniary benefit from or as a result of the full execution of this Contract. Further, the Grantee represents and warrants that it has not

and will not enter any contract for goods or services with the persons enumerated above using any funds made available to Grantee under this Contract.

ARTICLE IX SUBCONTRACTS

The Grantee shall not execute or concur in any subcontract with any person or entity in any respect concerning the activities governed by this agreement without prior written approval of the Grantor. Prior written approval is not required for the purchase by the Grantee of articles, supplies, equipment and activities which are both necessary for and merely incidental to the performance of the work required under this Contract. The Grantee shall not execute or concur in any subcontract declared disapproved by the Grantor. A subcontractor will be automatically disapproved, without a declaration from the Grantor, if the subcontractor is currently or becomes suspended or debarred by the Commonwealth or the federal government. In any event, the Grantee shall be responsible for the quantity and quality of the performance of any of its subcontracts.

All subcontracts must contain provisions of nondiscrimination/sexual harassment as specified in the Article entitled Compliance with Applicable Statutes and Regulations, subsection (b)(3). In addition, all subcontracts involving the pass through of Contract funds to subrecipients must include the audit requirements contained in the Article entitled Contract Audit and Closeout Requirements. The Grantee shall ensure that all required audits of subcontractors are performed, and for resolving any findings contained in the audit reports. All costs deemed unallowable in the subcontract audit report are required to be returned to the Grantor, through the Grantee.

ARTICLE X BIDDING REQUIREMENTS

If the Grantee is a political subdivision or other entity for which open and competitive bidding procedures have been established by law, the Grantee shall comply with those procedures if they are applicable to the project being funded with the grant funds. Otherwise, the Grantee shall comply with open and competitive bidding procedures in awarding all grants, subgrants, contracts, subcontracts or other agreements in excess of \$10,000.00 for construction, reconstruction, demolition, alteration and repair, for acquisition of machinery and equipment, or for engagement of the services of a professional consultant, when the grants, subgrants, contracts, subcontracts or other agreements are funded in whole or at least 50% in part with funds made available under this Contract. Open and competitive bidding procedures require the Grantee to obtain a minimum of three arm's length bids from vendors capable of providing the goods and performing the services requested. Arm's length transactions occur when the parties to the transaction are not related to one another and each party is acting in its own self-interest. The Grantor may require the Grantee to submit proof of compliance with these procedures, and failure to provide proof to the satisfaction of the Grantor may result in termination of the Contract and repayment of all or a portion of the funds available under this Contract. Upon written request and for good cause shown, the Grantor may, at the

Grantor's sole discretion, permit the Grantee to use an alternative procedure for solicitation of bids not inconsistent with law.

ARTICLE XI RECORDS

The Grantee, using accepted procedures, shall maintain at its principal office or place of business complete and accurate records and accounts including documents, correspondence and other evidence pertaining to costs and expenses of this Contract, and reflecting all matters and activities covered by this Contract.

At any time during normal business hours and as often as the Grantor deems necessary, the Grantee shall make available for inspection by the Grantor, the Commonwealth Auditor General, the Commonwealth Attorney General, or the Comptroller General of the United States, or their duly authorized representative, all of its records with respect to all matters covered by this Contract and will permit the Grantor to audit, examine and make copies of the records.

All required records must be maintained by the Grantee for a period of five (5) years from the date of final audit or close out of this Contract by the Grantor, except in those cases where unresolved audit questions may require maintaining some or all records for a longer period. In that event, records must be maintained until all pending matters are resolved.

ARTICLE XII PROGRESS REPORTS

The Grantee and its subcontractors shall furnish to the Grantor progress reports in the form and quantity as the Grantor may from time to time require, including, but not limited to, status reports of the project, project account statements, certificates, approvals, proposed budgets, invoices, copies of all contracts executed and proposed, employment placements, follow-up reports and all other information relative to the Contract as may be requested. The Grantor or its representative shall have the right to make reasonable inspections to monitor the Grantee's performance under this Contract.

If the Grantor determines that the Grantee or its subcontractor(s) has not furnished the reports as required by the Grantor, the Grantor, by giving written notice to the Grantee, may suspend payments under this Contract until the required reports are submitted.

ARTICLE XIII ACKNOWLEDGMENT OF COMMONWEALTH ASSISTANCE

Any publication concerning a project financed by the Grantor will acknowledge Commonwealth financial assistance as follows:

"This Project was financed *[in part]* by a grant
from the Commonwealth of Pennsylvania,
[insert name of Grantor]."

Signs acknowledging the Commonwealth financial assistance or administrative participation will be erected in the project area as soon as possible after the effective date of this Contract. Acknowledgment of Commonwealth financial assistance may be combined with acknowledgment of other funding sources on project signs or in project publications.

ARTICLE XIV CONTRACT AUDIT AND CLOSEOUT REQUIREMENTS

This Contract is funded entirely with state funds. If the amount of the Contract is less than \$100,000.00 the Grantee is exempt from all audit requirements and should refer to the procedures issued by the Grantor for instructions on closeout of this Contract.

If the amount of the Contract is \$100,000.00 or more, a final audit of the entire Contract (Project Audit) is required by the Grantor within 180 days after the termination of project activities but no later than 180 days after the Contract termination date. This audit is the responsibility of the Grantee. Audits performed under the Single Audit Act of 1984 will not be accepted in lieu of a Project Audit required under this Contract.

The Project Audit must be performed by a certified public accountant. The Grantee shall secure a qualified auditor, however, the Grantor reserves the right of selection or prior approval of the independent auditor to perform the audit. The Project Audit must be a financial audit conducted in accordance with the provisions of the U.S. General Accounting Office's Government Auditing Standards, current revision, and contain all the requirements detailed in the Grantor's "Procedures for Closeout of Contracts." Unless otherwise authorized by the Grantor, the audit must include those funds received under this Contract as well as any required private match funds and encompass the entire Contract Activity Period. Other grant periods may also be specified at the discretion of the Grantor and the Grantor reserves the right to designate additional compliance factors for state financial assistance programs.

The Grantor shall determine any overpayment or underpayment and any additional auditing deemed necessary and inform the Grantee of the settlement amount.

If the final audit of the Contract, as accepted by the Grantor or any duly authorized representative, discloses that the full amount of the Contract was not required to complete

the project or that funds were improperly used, then the funds unused, improperly used or expended but not required to complete the project, must be repaid to the Grantor with interest unless otherwise directed in writing by the Grantor.

The Commonwealth reserves the right for state agencies or their authorized representative to perform additional audits of a financial or performance nature if deemed necessary. Any additional audit work must rely on work already performed by the Grantee's auditor, and the costs for any additional work performed by the state or federal agencies must be borne by those agencies at no additional expense to the Grantee.

All terms of this Contract will remain in effect and be binding upon the parties to this agreement until a final audit is submitted and accepted by the Grantor.

None of the above provisions under this article exempts the Grantee from maintaining records of state financial assistance programs or providing upon request, access to such records to the Grantor or its authorized representatives.

The submission of a Single Audit in accordance with the Single Audit Act and related Circulars does not exempt the Grantee from complying with all Project Audit and any closeout procedures as may be issued by the Grantor, including, but not limited to, the submission of a financial statement of the project after termination of project activities.

For additional information on audit and general closeout requirements, the Grantee should refer to the procedures for closeout of contracts issued by the Grantor.

ARTICLE XV TEMPORARY SUSPENSION OF THE CONTRACT

Upon written notice and at any time during the period covered under this Contract, the Grantor may suspend payments and request suspension of all or any part of the Contract activities. The Grantor may give notice to suspend for the following reasons:

- (a) Violations of laws and regulations, audit exceptions, misuse of funds, failure to submit required reports or when responsible public officials or private citizens make allegations of mismanagement, malfeasance or criminal activity.
- (b) When, in the opinion of the Grantor, the activities cannot be continued in a manner as to adequately fulfill the intent of statute or regulations due to act of God, strike or disaster.

During the term of suspension, the Grantor and Grantee shall retain and hold available all funds previously approved for application to the activities. During this period all such funds held by the Grantee must be placed in an interest bearing program expenditures account. The Grantee shall not expend any of the funds during the period that the Contract is suspended except pursuant to order of a court of competent jurisdiction. The Grantee shall have the right to cure any default or other circumstance that is the basis for suspension of this Contract within a reasonable period of time.

This Contract is also conditioned upon complete performance by the Grantee of past agreements or contracts between the Grantor and the Grantee. Complete performance includes the Grantee's timely submission of the required final audit of past agreements or contracts to the Grantor. If the Grantor determines that there has been incomplete performance of past agreements or contracts by the Grantee, the Grantor, by giving written notice to the Grantee, shall suspend payments under this Contract until the Grantee has fulfilled its obligations under past agreements or contracts to the satisfaction of the Grantor. When the Grantee has fulfilled its obligation under past agreements or contracts to the Grantor's satisfaction, the Grantor shall resume payments under this Contract.

ARTICLE XVI TERMINATION OF THE CONTRACT

The Grantor may terminate this Contract at any time for its convenience or for any other reason if it determines that termination is in its best interests, or is otherwise appropriate, by giving written notice to the Grantee of the termination and specifying the termination effective date. Termination pursuant to this section shall not be applicable to funds that the Grantee is legally or contractually obligated to pay as a result of project activities entered into prior to the date that it receives written notice of termination. All grant monies not legally or contractually obligated, plus accrued interest, must be returned to the Grantor on or before the effective date of termination and all project records must be made available to the Grantor.

ARTICLE XVII ENTIRE AGREEMENT

This Contract, when signed by all the parties to this agreement, constitutes the full and complete understanding and agreement of the parties of its express terms as provided above.

No provision of this Contract is construed in any manner so as to create any rights in third parties not party to this Contract. It is interpreted solely to define specific duties and responsibilities between the Grantor and the Grantee and does not provide any basis for claims of any other individual, partnership, corporation, organization or municipal entity.

ARTICLE XVIII AMENDMENTS AND MODIFICATIONS

A properly executed Contract amendment is required to change the termination date of this Contract, to change the Contract Activity Period, to amend the grant amount or to make major changes in the approved program scope, objectives or methods. An amendment must be executed if there is a significant change in the activities to be conducted under this Contract. Other revisions to the Project Description or Budget may be made upon written approval from the Grantor after prior written request of the Grantee; provided, the request is made by the Grantee and approved by the Grantor prior to the termination or expiration of the Contract.

ARTICLE XIX SEVERABILITY

Should any section or any part of any section of this Contract be rendered void, invalid or unenforceable by any court of law, for any reason, the determination will not render void, invalid, or unenforceable any other section or part of any section of this Contract.

ARTICLE XX CONSTRUCTION

All of the terms of this Contract are expressly intended to be construed as covenants as well as conditions. The parties intend this statement of their agreement to constitute the complete, exclusive, and fully integrated statement of their agreement. As such, it is the sole expression of their agreement, and they are not bound by any other agreements of whatsoever kind or nature. The parties also intend that this agreement may not be supplemented, explained, or interpreted by any evidence of trade usage or course of dealing. In entering this agreement, the parties did not rely upon oral or written statements or representations not contained within the document itself.

ARTICLE XXI NONWAIVER OF REMEDIES

No delay or failure on the part of the Grantor in exercising any right, power or privilege shall affect the right, power or privilege; nor shall any single or partial exercise thereof or any abandonment, waiver, or discontinuance of steps to enforce the right, power or privilege preclude any other or further exercise thereof, or the exercise of any other right, power or privilege. The rights and remedies of the Grantor are cumulative and concurrent and not exclusive of any rights or remedies which it might otherwise have. The Grantor shall have the right at all times to enforce the provisions of this Contract in accordance with the terms contained in the Contract regardless of any conduct or custom on the part of the Grantor in refraining from so doing at any time. The failure of the Grantor at any time to enforce its rights under this Contract, is not construed as having modified, waived, or created a custom in any way or manner contrary to specific provisions of this Contract.

- 3.** Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under the contract.
- 4.** Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the *Public Employee Relations Act*, *Pennsylvania Labor Relations Act* or *National Labor Relations Act*, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.

The Contractor and each subcontractor shall, upon request and within the time periods requested

- 8.** The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
- 9.** The Contractor's and each subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Exhibit C

NONDISCRIMINATION/SEXUAL HARASSMENT

- a. **Representations.** The Grantee represents that it is presently in compliance with and will remain in compliance with all applicable federal, state, and local laws, regulations, and policies relating to nondiscrimination and sexual harassment for the term of the agreement. The Grantee shall, upon request and within the time periods requested by the Commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to its books, records, and accounts by the Commonwealth for the purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.
- b. **Nondiscrimination/Sexual Harassment Obligations.** The Grantee shall not:
 - i. in any manner discriminate in the hiring of any employee(s) for the performance of the activities required under this agreement or any subgrant agreement, contract, or subcontract, by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the Pennsylvania Human Relations Act ("PHRA") and applicable federal laws, against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.
 - ii. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any of its employees.
 - iii. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under this agreement or any subgrant agreement, contract, or subcontract.
 - iv. in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subgrantee, contractor, subcontractor, or supplier who is qualified to perform the work to which this agreement relates.
 - v. in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the Public Employee Relations Act, Pennsylvania Labor Relations Act, or National Labor Relations Act, as applicable, and to the extent determined by entities charged with the Acts' enforcement and shall comply with any provision of law establishing organizations as employees' exclusive representatives.

- c. **Establishment of Grantee Policy.** The Grantee shall establish and maintain a written nondiscrimination and sexual harassment policy that complies with the applicable law and these Nondiscrimination/Sexual Harassment provisions and shall inform its employees in writing of the policy. The policy must contain a provision that states that sexual harassment will not be tolerated and employees who practice it will be disciplined. For the entire period of this agreement, the Grantee shall: (1) post its written nondiscrimination and sexual harassment policy or these Nondiscrimination/Sexual Harassment provisions conspicuously in easily accessible and well-lighted places customarily frequented by employees at or near where the grant activities are performed; or (2) provide electronic notice of the policy or this clause to its employees not less than annually.
- d. **Notification of Violations.** The Grantee's obligations pursuant to these provisions are ongoing from the effective date and through the termination date of the agreement. Accordingly, the Grantee shall notify the Commonwealth if, at any time during the term of this agreement, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- e. **Cancellation or Termination of Agreement.** The Commonwealth may cancel or terminate this agreement and all money due or to become due under this agreement may be forfeited for a violation of the terms and conditions of these Nondiscrimination/Sexual Harassment provisions. In addition, the granting agency may proceed with debarment or suspension and may place the Grantee in the Contractor Responsibility File.
- f. **Subgrant Agreements, Contracts, and Subcontracts.** The Grantee shall include these Nondiscrimination/Sexual Harassment provisions in its subgrant agreements, contracts, and subcontracts with all subgrantees, contractors, and subcontractors providing goods or services under this agreement. The incorporation of these provisions in the Grantor's subgrants, contracts, or subcontracts does not create privity of contract between the Commonwealth and any subgrantee, contractor, or subcontractor, and no third-party beneficiaries are created by those provisions. If the Grantee becomes aware of a subgrantee's, contractor's, or subcontractor's violation of these provisions, the Grantee shall use its best efforts to ensure the subgrantee's, contractor's, or subcontractor's compliance with these provisions.
